## CHOCOLATERIE

PARK HYATT SAIGON

## THE CLASSIC OF HANDCRAFTED CONFECTIONS – CHOCOLATE TRUFFLES

Named after the luxurious fungus due to the distinctive resemblance they share, chocolate truffles are chocolate ganache filled centre in different finishes. Being the all-time favourite confection at The Park, each piece of chocolate is now vividly transformed into different delicate variations by the talented hands of our award-winning Chef, Alexis Lee.

Featuring five masterpiece creations with refined presentation and alluring flavours, each chocolate truffle is expected to entice guests with gourmet pleasure. The classic **Dark Chocolate Truffle** allures guests by its creamy yet fruity flavours from the 60Days couverture. **White Cranberry Cashew Rocher** with its crunchy texture from the cashew nuts compliments the richness of white chocolate and the sour note from dried cranberries.

**Dark Chocolate Orange Rocher** on the other hand is the perfect match made in heaven of almond, chocolate and orange. With the decadent outer layer of caramel, chocolate and cocoa powder, **Milk Chocolate Rolled Almond** and **Dark Chocolate Rolled Hazelnut** is a harmony of simple yet appealing taste.
