There's an undeniable exuberance and sense of joy that surrounds us all as the year ticks closer to its end. With 2021 almost at the doorstep, we can't help but reminisce about what this year had to offer. Despite its many ups and downs, 2020 had its own charm, too. Never have we witnessed this much unity, support and of course, love from all over the world, binding us not only hospitality, but in togetherness as well. With the world adapting to a "new normal", travel restriction gradually lifting and positive news of COVID-19 containment, the New Year promises the healing we need.

Of the situation, it's high time for us to express our gratitude to you – friends, clients, partners — for the tremendous support you availed us over this year. Thanks to you we were able to push ourselves forward, recreating and reimagining ourselves daily to suit in the ever-evolving norms. Champagne Secret, Magic at The Park (the first and only private magic show in Vietnam) to name a few, are some well-grounded examples backing our efforts. Moreover, we received two prestigious awards this year — Best Hotel Makeover in Asia and Best Business Hotel in Ho Chi Minh City — encouraging us to fight against the odds and to continue to redefine and elevate our luxury standards.

From all of us at The Park, we thank you, acknowledging that we wouldn't be where we are without you. Wishing you and your loved ones a very Merry Christmas and a Happy New Year.
