WEDDING AT THE PARK

HEARTY BREAKFAST AT PARK LOUNGE

“This morning at Park Lounge, I’m struck by the breath-taking glass chandeliers. With such beauty here in the hotel, it’s going to be an effort to tear myself away to see more of this vibrant city.”

With the bright colour palette of white and ivory featuring crystal chandeliers shining and reflecting sunlight from the high windows, one can easily settle in peace at the welcoming ambiance of Park Lounge. Known for its extravagant Cubism-inspired afternoon tea time or impressive international Mariage Frères tea collection, Park Lounge boasts its well-being breakfast menu that guests would not want to miss.

Launched just months ago, as Park Lounge received a thorough upgrade and brand-new look, the breakfast menu is impeccable for wellness pioneers, those seeking organic and authentic flavours from selective superfoods, alongside fine culinary twists.

From 7 am to 10:30 am daily, relish in the pleasantly crunchy flavour of signature Bircher Muesli (organic seeds, Fuji apple, red fruits, hazelnuts, raisins, yoghurt) or temptingly fall for Fresh Berries Yoghurt accompanied by the distinctly florid and complex Manuka honey. Heirloom Tomatoes on Rye Bread, on the other hand, offers a dynamic energy boost, thanks to cashew, black truffle hummus and Taggiasca olive oil.

Explore your preferred taste from our new well-being breakfast menu now!
